Warning: This email originated from outside the City of Bakersfield. Think before you click!

Dear Dennis:

Thank you for your interest in NEC's NeoFace® WideNet facial recognition hosted service for law enforcement agencies.

Considering NEC as your facial recognition partner means choosing a world leader in innovative research and development. For more than 120 years, NEC's mission has been to provide world-class products and dependable service.

Now with business operations in more than 160 countries and nine laboratories throughout the world, NEC has committed itself to innovation and new strategies for organizations to scale and grow. NEC's research and development discoveries have led to 64,000 patents and multiple awards, including one of the Top 50 Most Innovative Companies.

To learn more about how your organization can benefit from NEC's industry-leading facial recognition technology, feel free to give me a call or respond to this email and we'll set up time to connect.

Best regards,

Kelly Gallagher
Sr. Account Manager, NEC Advanced Recognition Systems
